About Relgya Technologies

Relgya Technologies is a trusted consulting partner specializing in **Microsoft Dynamics 365 Business Central**. We empower businesses with innovative ERP and CRM solutions, ensuring seamless implementation, optimization, and long-term support. Join us and be part of a growing global team that values innovation, collaboration, and continuous learning.

Role Overview

As a **Business Central Manager**, you will be responsible for leading ERP implementation and support projects, managing a team of consultants, and ensuring successful delivery of Microsoft Dynamics 365 Business Central solutions for our clients. This role requires strong technical knowledge, leadership skills, and client-facing expertise.

Key Responsibilities

- Lead and manage end-to-end **Business Central (Dynamics NAV/365)** implementation projects.
- Oversee a team of functional and technical consultants.
- Collaborate with clients to understand business processes and provide tailored ERP solutions.
- Ensure project delivery within scope, budget, and timelines.
- Drive system optimization, upgrades, and post-go-live support.
- Conduct training sessions and workshops for clients and internal teams.
- Stay updated on Microsoft Dynamics 365 Business Central and related technologies.

Qualifications & Skills

- Bachelor’s/Master’s degree in Computer Science, IT, Business, or related field.
- 6+ years of experience with **Microsoft Dynamics NAV** / **Dynamics 365 Business Central**.
- Proven track record of leading ERP projects and managing teams.
- Strong understanding of finance, supply chain, and operations modules.
- Experience with **AL language, Power Platform, and Azure** (preferred).
- Excellent communication, problem-solving, and client-handling skills.
- Microsoft Dynamics certifications (preferred but not mandatory).

What We Offer

- Competitive salary & performance-based incentives.
- Opportunities for certification and professional growth.
- Flexible/Hybrid working model.
- Exposure to international clients and industries.

- Collaborative and innovative work environment.
